  - a. On or before January 31st of each year, the owner or lessee of every Registered Percheron stallion must make a written report showing the names and registration numbers of all Registered Percheron mares bred or exposed to said stallion since the previous January. The fee of \$10.00 per mare is required on Stallion Breeding Reports received by Percheron Horse Association with postmark after January 31st following the breeding year. **See note below\***.

  - d. The report shall be made on a form provided free of charge by the Percheron Horse Association.
3. When an outside mare is brought to you to breed, demand to see the registration certificate of each mare exposed. This will assist you in the preparation of this report.
4. Be sure the last recorded owner of mare is the person who contracts the breeding to this stallion.
5. Give exact date(s) exposed -- if more than one service is given mare -- be sure and show the different dates.

8. Keep a copy of this report for your files and future use.
