(A non-profit organization)
(Formerly Percheron Society of America)

These By-Laws are made for the purpose of regulating the affairs of the Association and its Members. Any Member who conducts his affairs honestly need not fear the effect or the operation of the By-Laws herein contained. It is the desire of the Association that every Member receiving a certificate from this Association on an animal registered therein is, with every degree of certainty, assured that he is receiving a purebred animal.

It is the duty of every owner of a purebred Percheron, Member or non-member, who enjoys the benefits that come from having an animal which belongs with a certificate of pedigree, issued and backed by this Association, to do everything within his power to live up to the rules and regulations as provided in these By-Laws. Failure to live up to the requirements of these By-Laws works to the financial disadvantage of the Association and the owner of purebred Percheron horses, and tends to destroy the high standing and integrity of the pedigrees and transfers issued by your Association.
