## Percheron Crossbred Registry:

- **Fee to register one crossbred is \$125.00**
  - includes the DNA for the animal being registered
  - includes the registration fee
  - same fee applies to members and non-members
- No restrictions on the non-registered Percheron parent
  - If the non-registered Percheron parent is registered with another registry, the registration certificate for the other registry must be provided
  - One of the parents, either the sire or the dam, must be 100% registered Percheron to qualify the offspring to be registered in the crossbreed registry
  - The Percheron parent must have DNA markers on file with the Percheron Crossbreed Registry
  - **\$50 DNA fee** applies to obtain DNA markers if either the sire or dam does not currently have DNA markers on file
  - DNA markers for the non-registered Percheron parent are no longer required to register a Percheron Crossbred in the registry
  - An **import fee of \$15** will be charged to import the DNA into our database
  - Resulting offspring must be parent verified to both the sire and the dam to qualify to be registered
- The Percheron Crossbred Registry cannot ever be utilized as a path to register a purebred Percheron horse, no grading up to a purebred Percheron is available
- Individuals registering animals in this registry do not need to be a member of the Percheron Horse Association of America to register a crossbred animal
- This registry will follow the same By-Laws and Rules of the Percheron Horse Association of America
- Individual will not have Board election voting rights, unless already a Percheron Horse Association member
- **Transfer Fee is \$55**
